How Did You Hear About the Vision Systems Design Innovators Awards?

Vision *Systems* DESIGN 2020 Innovators Awards

EARLY BIRD DEADLINE:
February 21st, 2020

FINAL ENTRY DEADLINE:
March 27th, 2020

You may upload extra pages for the following questions. However, no more than five extra pages of documentation, including spec sheets, will be accepted. Note, all additional pages of documentation must be labeled with company name and product/system/technology name. Pictures, diagrams and/or charts do not count toward your five extra pages. Applications will be returned if more than five pages are submitted.

Applications will be returned if more than 5 pages are submitted.

In putting together your package for the judges, please include the following:

- A spec sheet -- what parameters is the product designed to meet?
- A brief technological description of how the product works.

Optional items that help the judges include:

- Testimonials by users
- Photos and diagrams, particularly block diagrams or flow charts that help describe how the product/system/technology works.

Vision *Systems* DESIGN 2020 Innovators Awards

EARLY BIRD DEADLINE:
February 21st, 2020

FINAL ENTRY DEADLINE:
March 27th, 2020

In brief, describe the impact your product/system/technology has on designers, systems integrators, and/or end users *

Areas to be addressed could include how it is original and innovative, how it fulfills a need in the market that hasn't been addressed, increases productivity, leverages a novel technology, etc.

What are the unique features of this product/system/technology as it compares to existing solutions? *

Vision *Systems* DESIGN 2020 Innovators Awards

EARLY BIRD DEADLINE:
February 21st, 2020

FINAL ENTRY DEADLINE:
March 27th, 2020

How do you differentiate this product/system/technology from the next two closest competitive product/system/technologies in the market? *

Vision Systems DESIGN 2020 Innovators Awards

EARLY BIRD DEADLINE:
February 21st, 2020

FINAL ENTRY DEADLINE:
March 27th, 2020

Vision Systems Design Innovators Awards Agreement *

Submissions are not considered final until the submission form is finalized.

By submitting a 2020 Vision System Design Innovation Reviews Submission Form, each entrant releases and holds harmless PennWell, its officers, employees, agents, representatives and the Judges of the 2020 Vision System Design Innovation Awards, from any and all claims, damages or loss, including but not limited to: loss of current or future business or profits or any harm to reputation and regardless of whether PennWell Corporation was advised of the possibility of such damages, due to submitting an entry, the entrant's product review score or the publication of other Innovators Awards Scores. This release is intended to be as broad and inclusive as permitted and includes all claims in tort, contract, equity or otherwise and if any portion therefore is held invalid, the undersigned agrees that the balance shall continue in full force and effect. Entrant further agrees that: (1) any and all disputes, claims, and causes of action, arising out of or in connection with 2020 Vision System Design Innovation Reviews shall be resolved individually, without class action, and any judicial proceeding shall take place in the state or federal courts within the state of Oklahoma and be adjudicated in accordance with the laws of the State of Oklahoma; (2) any and all claims, judgements and awards shall be limited to out-of-pocket-costs incurred, including costs incurred in entering, but in no event shall include an award of attorney's fees' and (3) Entrant waives all rights to claim punitive, incidental, and consequential damages, loss of profits, and any other damages and rights to have damages multiplied or increased. Entrant further agrees that the judge's decision relating to the Innovators Score is FINAL.
