The Downtown Holiday Market is centrally located in the heart of Downtown DC, centered at 8th and F Street, NW. It is easily accessible by foot, bike, and Metro (Gallery Pl-Chinatown).
Welcome to the 15th Annual Downtown Holiday Market

The Downtown Holiday Market brings all its seasonal cheer back for its 15th year! Whether you’re shopping for friends and/or family or making your own Wish List, the outdoor Market is your one-stop shop for unique gifts.

Here’s what you can find:

- More than 150 vendors from the region and the world will showcase unique and handmade crafts, clothing, glasswork, jewelry, paintings, photographs, woodworking and so much more.
- Shoppers can support District creatives with their locally-made products at the Made in DC booth presented by the Department of Small and Local Business Development.
- New this year, find the National Building Museum’s popular gift shop at the Market.
- Live music, food and holiday festivities while you shop!

In 2005, the Downtown Business Improvement District (BID) in collaboration with Diverse Markets Management (DMM) created an outdoor holiday shopping marketplace for the Downtown community. Today, Downtown is a retail and tourist destination and this market is at the heart of it all. The Market is committed to environmental sustainability and environmentally friendly initiatives, which are also important to many of the Market exhibitors, some whom offer fair-trade imports and gifts made from recycled and sustainable resources. The Market is conveniently accessible by public transportation including Metrorail, Metrobus and Capital Bikeshare.

For more information on daily performances and vendors, visit downtownholidaymarket.com. Vendors rotate daily, so we look forward to seeing you throughout this holiday season again and again!
